- Borehole
- Passive cooling system
- KNX smart IQ

Architecture and special features

- Distinctive clarity: contemporary architecture, organic colour scheme and premium natural materials
- Designed to maximise living space, ample storage options (even without basement)
- Walk-in pantry, multi-functional plant room with integrated laundry
- "Silent walls" around the plant room preventing technical noise from entering the living space
- Bespoke "floating" staircase enhances contemporary interior design concept
- If opted for 37 cm external Baufritz wall, dimensions of the house will be slightly different: 11,95 m x 8,20 m

Standard specification

- Triple-glazed timber and aluminium windows, fitted in the factory without PU foam
- Holistic health concept with outstanding indoor air quality
- Effective Xund-E electrosmog protection and shielded electrical installations
- Superior-quality, environmentally friendly interiors that are healthy to live in thanks to innovative solutions developed in-house by Baufritz (e.g. interior paints, floor adhesives, etc.)
- HOIZ natural, organic insulation made from wood shavings — developed in-house, certified by natureplus and IBN
